PLEASE NOTE—every effort will be made to have non household garbage items picked up on the Tuesday but items may not be picked up until later in the week.

Acceptable items:

- Furniture—couches, dressers, desks, chairs, tables.
- Appliances—dryers, washers, toasters, refrigerators, freezers, a/c units. (A fee will apply to any appliance containing Freon.)
- Metals
- “Other” or construction waste (should be no more than 75 lbs and no longer than 6’ to accommodate the Town garbage truck)

Non-acceptable items:

- Organic waste, toxic waste and electronics

Electronics are still accepted and can be placed in the bin located next to the recycling bin trailer. Tree branches and compostable material should be taken to the area east of Town near the lagoon. For toxic waste be sure to utilize the annual toxic waste roundup—the next one is scheduled for Spring 2018.

Please ensure all items set out for pick up are separated and are in neat piles next to your regular garbage. **NOTE:** If you are not sure if an item is approved to be picked up or if you have other general questions please contact the Town Office at 403-549-3761 or the Town Shop at 403-549-3944. Library News

BOOK CLUB

This month we handed out two books called “The Zookeeper’s Wife” by Diane Ackerman and “The Nest” by Cynthia D’Aprix Sweeney. We will be meeting to discuss these books on Thursday, October 5th at 7:00 pm. At this time our next read will be handed out called “The Secret Daughter” by Shilpa Somaya Gowda. Please feel free to come by the Library to pick up your copy. Everyone is welcome to participate and we welcome suggestions for future book club reads. You can research this book on the Stavely Library Website.

A Huge Thank You to the Stavely Parent Council for their generous donation of \$500 to be used towards children’s books in the Library.

The Friends of Stavely Library Society—is now in the final planning stages and underway after holding two meetings in September. Thank you to all of those who have expressed an interest in keeping our Library sustainable and willing to help with fundraising projects. Look for further updates next month and a date for the Annual General meeting. Please plan to attend if interested in becoming a member.

RBdigital and Zinio for Libraries app.

The Zinio for Libraries app will close on October 23rd. The app will continue to point users to download the RBdigital app to access the same emagazines. Even now, the app informs users of the new app, and there is a button to go directly to the new app’s download page. Anyone who accesses RBdigital/ Zinio emagazines in their browser via [BiblioCommons](#) or thru our [eLibrary](#) page will see the new branding, and access will remain the same.

New Online Website Functions

- Online Fine Payment functionality became effective Monday, September 18th. Minimum payment allowed is \$5 payable by PayPal, Credit or Debit Cards.

- Lonely Planet has a collection of popular titles with 25 Travel Guides for better downloading from OverDrive.

FEATURED BOOKS OF THE MONTH

- **Glass Houses (Chief Inspector Armand Gamache #13)** by Louise Penny—fans of this series will not be disappointed. Told between two time periods (about 9 months apart) involving the residents of Three Pines as always, featured prominently, with a few newcomers.
- **The Good Daughter** by Karin Slaughter—A superb, dark and intense novel set in Pikeville, North Georgia. Two tragic sets of events occur 28 years apart and their catastrophic repercussions on a family and their community which completely changes their lives.
- **A Stranger in the House** by Shari Lapena—The plot is intriguing, well-written and packed full of secrets waiting to be revealed! Same detective from The Couple Next Door, the author’s debut novel.

FEATURED DVD MOVIES

- **Guardians of the Galaxy Vol. 2**—action-packed plot, dazzling visuals, and irreverent humor add up to a sequel that’s almost as fun—if not quite as thrillingly fresh—as it’s predecessor.
- **Wonder Woman**—Thrilling, earnest, and buoyed by Gal Gadot’s charismatic performance, Wonder Woman succeeds in spectacular fashion.
- **Big Little Lies**—All is not what it seems in this dark comedy set in an idyllic seaside California town, where success, affluence and privilege are slowly but surely undone by secrets, rivalries, deception and murder.

The Library will be closed Monday, October 9th

Golf Club News

Next Golf Club meeting will be held on Wednesday, October 18th at 7:00 pm. The Golf Club has had a pretty successful year, even considering the dry weather. At our upcoming October meeting, we would like to review any all potential “capital” projects for the course. The executive encourages all interested members and even non-members, to come to the meeting, and offer your thoughts, ideas, wishes, etc. for the future of the Stavely Golf Club. This is a long range planning session, and we would appreciate the membership’s input. Once we have a list of potential projects for the course, we can start to prioritize, and initiate required fundraising accordingly.

Hope to see you there!

Stavely Museum News

The Stavely Museum has completed a successful 1st season after the major renovations. Over 300 people signed our guest book and all indicated a very positive reaction to the changes. More changes are planned. We intend to upgrade the Thresher Shed to include more than just our prized possession of a 1904 Aultman-Taylor wooden threshing machine. It is destined to become a true workshop—housing an antique collection of tools, small machines and light equipment. The Museum is working on completing its purchase of the former United Church building. We anticipate a name change to 'The Corner Wedding Chapel'—an indication of the intended purpose. More of these plans later.

Our Annual Meeting is in November, all supporters are welcome to attend and contribute.

Thanks to all volunteers who worked at the Museum over the summer and also those who worked at our Casino in June.
