**The Plot Thickens Garden Club Lecture Series – Wednesday May 15th @ 6:30pm.**

Our guest speaker will be Kara Matthews, Horticulturist at Coutts Centre near Nanton held in the Library 6:30 to 8:30 pm. When it comes to companion planting, it can be difficult to remember who likes who. Nobody wants to live next to someone who makes their life difficult. Kara discovered a wonderful online tool that anyone can use to design, plan and journal your garden each year. There is a free version, and a subscription version. The talk on the 15th will introduce this tool, and explore how to use it, and also play around with the companion plant tool.

Come join us for a fun and interesting evening with snacks and an attendance draw. Pre-registration would be appreciated by contacting: [help@stavelylibrary.ca](mailto:help@stavelylibrary.ca); or texting 403-682-8880, but drop-in is welcome as well. There will be a cover charge of \$5 for each participant for this presentation. **If you are interested in gaining knowledge of plants, gardens and gardening, watch for the next garden lecture coming in June** - Date and topic will be posted each month on the Library Website: [www.stavelylibrary.ca](http://www.stavelylibrary.ca); **Stavely Municipal Library**

**New this month** we will have a perennial swap at this lecture—please label and pot healthy plants in individual sturdy containers. This is a great opportunity to find new homes for your extra plants, or exchange them for new ones. Price between \$3 to \$5 each plant with proceeds to go toward the Library for future gardening lectures.

Facebook page, and Stavelly newsletter. **All manner of gardeners are welcome – from pot to plot!**

**Did You Know** – you can access the Stavelly Library Newsletter every month online by going to [stavellylibrary.ca](http://stavellylibrary.ca) and select the newsletter image on the left of the screen (under clock & location icon).
